Gary L. — Tonasket, Washington

“By helping just a handful of like-minded distributors participate in the B.I.B. Club Bonus Program, my income has multiplied. When nearly everyone who tries the product gets results, using the FREE Product trial to build a solid base of customers is simple!”

How to Qualify for the B.I.B. (Business in a Box) Club Bonus Program

You must purchase your B.I.B. and select a monthly autoship based on your level of choice. To qualify for all 3 levels of the B.I.B. Club Bonus Program, select a 200cv (commissionable volume) autoship.

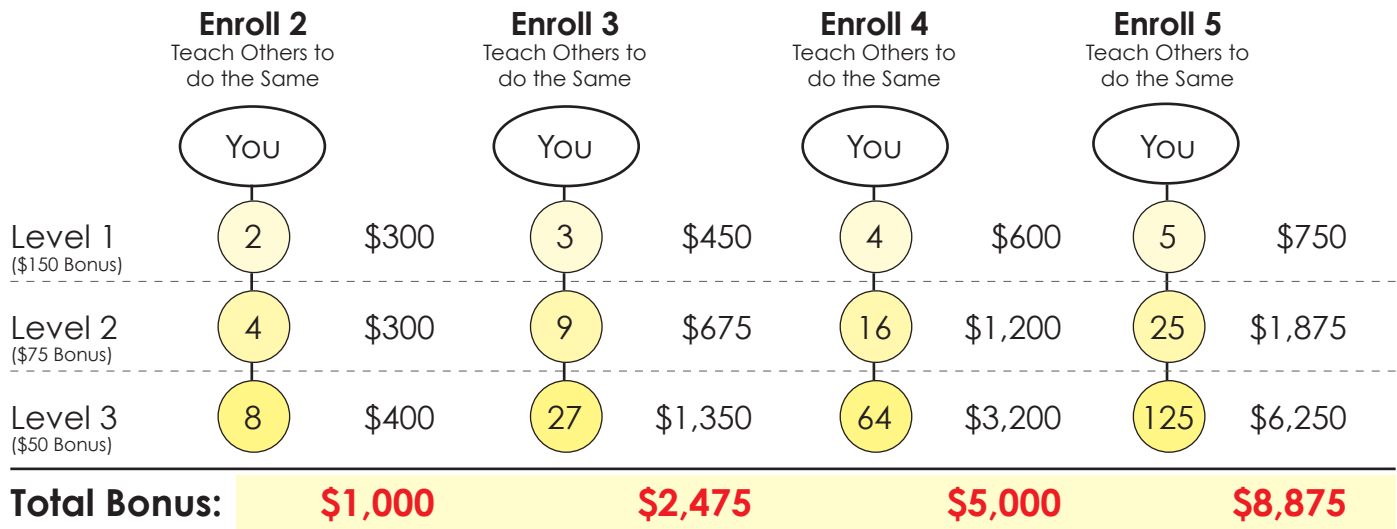

Monthly Autoship	Level	Cash Bonus	Levels Qualified For
50cv	One	\$150	1
100cv	Two	\$75	1 and 2
200cv	Three	\$50	1, 2, and 3

The B.I.B. Club Bonus Program is paid using a Uni-level Enrollment Tree. There is NO LIMIT to the number of people you can personally enroll or how wide your tree can become. This bonus program uses dynamic compression, and all bonuses roll up to the next qualified Distributor. The volume counts towards rank advancement, but is a separate bonus, and does not count towards binary team commissions. This bonus program is just one of the many ways you earn money with the Yoli Compensation Plan. Watch our online compensation videos for complete details at www.Yoli.com/compensation_2011.html.

It is essential to get your business started on the right track; be sure to visit www.Yoli.com/gettingstarted.
